

What I done today

- 5 game ideas
- Make notes to the templates of [thefirstprototype.com](https://thefirstprototype.com)
- 3 Social media marketing animations
- Doing research in Facebook communities about promoting First Prototype Friday
- 1 social media post designs
- Cat game UI design
- Friday presentation slide
- Meeting with Saamer for youtube streaming

What I learn today

- Videos can be distribute in gifs are more accessible
- First Prototype Fridays should always has s

What I find difficult

- Layering graphic element together in Figma is trick in some way
