What I have done in a day

- 2 post images for social media posting
- 5 game ideas
- <u>theftrstprototype.com</u> website redesign
- Counting time user interface (https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6FzNXK5qVanifr2/Unti-10">https://www.file/KuRbzlk6 tled?node-id=21%3A24)
- Image manipulation
- Mockup designs
- Replace the first prototype website's portfolio page with related projects

What I have learn today

- Images with same mockup is not visually pleasing
 Some of the most common app has already using AR technology

What I find difficult:

• N.A
